Dear Drew,

This letter is to thank you, and your incredible team at NEP, for the fantastic work you do for all law enforcement in Texas. The Texas Municipal Police Association would like to formally endorse your business to any and all law enforcement associations who seek to use your services. Congratulations on becoming one of the premier service providers in this market segment.

I would be happy to talk to anyone considering your company for your services. Feel free to share my information to others who may need a reference.

Once again, thank you very much, and good luck in all your endeavors.

Kevin Lawrence
Executive Director
Texas Municipal Police Association
